

ENGINEERS WITHOUT BORDERS ORANGE COUNTY CHAPTER

NEW MEMBER PROJECT DRIVE FEBRUARY 10TH, 2010

ALL PROFESSIONAL BACKGROUNDS WELCOME!

Engineers Without Borders Orange County is looking for new volunteers to take an active role in both current and future projects. Join us at our 2010 New Member Project Drive to hear about and propose ways to engage in any or all of our three partner communities. As a multidisciplinary organization, we truly welcome volunteers of all backgrounds including but not limited to engineers, teachers, public health professionals, and fundraisers.

Tell your friends and bring your calendar books! To learn more about our organization, visit www.ewb-oc.org.
